Case No. MP-2002-12

The certificates of insurance on file for respondent expired February 1, 2002, triggering the invalidation and automatic suspension of Certificate No. 281 under Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02. Order No. 6521, issued on February 5, 2002, directed respondent to file effective insurance certificates within thirty days or show good cause why respondent's certificate of authority should not be revoked.

On March 12, 2002, respondent filed an application to delete the trade name "Golden Touch Limousine" from Certificate No. 281. The issuer of respondent's insurance certificate has explained that it will issue a certificate of insurance in respondent's legal name but not with the Golden Touch trade name.¹

Under Title II of the Compact, Article XI, Section 10(b), the Commission may amend a certificate of authority upon application by the holder.

The application shall be conditionally granted.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, the suspension shall be lifted and Certificate of Authority No. 281 shall be reissued to JAR Enterprises, Inc., 2020 Pennsylvania Avenue, N.W., Suite 290, Washington, DC 20006.

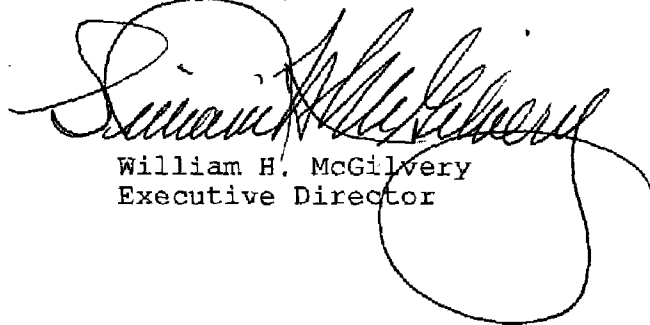

¹ The caption in Case No. MP-2002-12 lists a second trade name for respondent, but that name does not appear on respondent's certificate of authority and only appears in the caption because it had appeared once in a contract tariff filed by respondent that has since expired. The insurance certificate filed in response to this order should contain neither trade name.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until Certificate of Authority No. 281 has been reissued in accordance with the preceding paragraph.

3. That applicant is hereby directed to present its revenue vehicles for inspection and file the following documents within thirty days: (a) evidence of insurance pursuant to Commission Regulation No. 58 and Order No. 4203; (b) an original and four copies of a tariff or tariffs in accordance with Commission Regulation No. 55; (c) a vehicle list stating the year, make, model, serial number, fleet number, license plate number (with jurisdiction) and seating capacity of each vehicle to be used in revenue operations; (d) a copy of the vehicle registration card, and a lease as required by Commission Regulation No. 62 if applicant is not the registered owner, for each vehicle to be used in revenue operations; (e) proof of current safety inspection of said vehicle(s) by or on behalf of the United States Department of Transportation, the State of Maryland, the District of Columbia, or the Commonwealth of Virginia; and (f) the Certificate of Authority to be amended in accordance with this order.

4. That upon applicant's failure to timely satisfy the conditions of reissuance prescribed herein, the application shall stand denied and Certificate of Authority No. 281 shall be subject to immediate revocation without further proceedings.

A large, stylized handwritten signature in dark ink, appearing to read 'William H. McGilvery', is written over the typed name and title. The signature is fluid and cursive, with a large loop at the end.
